### **Social Media Strategists**

Our goal at ywam.org is to mobilize thousands more missionaries and to foster spiritual vitality and collaboration within our mission. We are in need of people who can help YWAM engage effectively with people through social media. Would you consider joining us and helping to make a difference?

We are looking for someone who:

- Is energetic, personable, organized and a lover of people.
- Enjoys social media and how this allows people to participate and interact.
- (preferably) can write fairly well. Any experience in photography, video or design would also be a plus.
- Has the ability to work effectively as part of a globally distributed virtual team.
- Is able to make a part-time but regular commitment (one day per week initially)

We are happy to consider “junior level” volunteers or interns. If you are interested in finding out more, please contact us at [ywam.org@gmail.com](mailto:ywam.org@gmail.com)
