

# Pray for Healing in South Asia

*The Invitation, June 10, 2021*

Please pray with YWAM as we focus on the suffering of countries in South Asia that have been hit hard by the pandemic. Recently India reached a peak of cases (400,000 per day) and deaths (4,000 per day). Other countries in South Asia such as Nepal and Sri Lanka are now facing Covid outbreaks. YWAM South Asia has lost more than ten staff and family members to this disease and over 100 YWAM staff and family members have been infected at any given time. Several are still hospitalized. Please join the prayer day called The Invitation as we pray for healing. Please

take a moment to pray right now or join us on our prayer day, June 10.

- 1. Pray for our YWAM family to be ministered to by the Lord as there has been so much loss and pain.** A couple of locations have lost two leaders and staff and many have lost at least one relative. Pray for the kids and spouses of those who have passed away. Pray against a spirit of fear (2 Timothy 1:7).
- 2. Pray for God to give wisdom and strength to the healthcare workers treating people with Covid.** Pray for the doctors treating YWAMers who are in the hospital.
- 3. Pray for protection for all the YWAMers out ministering to the poor during this crisis.** Many of the poor are daily wage earners and have lost their funds for food. Some people have had to use food money for medicine. We have so many YWAMers involved daily helping others. One or two locations have started Covid relief homes. They've also been getting oxygen cylinders out to people. Pray for basic needs of medicine and food for all.
- 4. Pray for this surge to end.**

## Suggestions for Groups or Individuals

Read 2 Chronicles 7:13-14 and seek wisdom from the Lord regarding sins that need to be confessed. Allow God to show multiple layers of sin. When all sins have been confessed, pray as above or as God leads.

## Take Action

Donate for YWAM's basic provisions of food, medicine and medical equipment. If you would like to help you can go to [ACEDevelopmentfund.org](https://www.acedevelopmentfund.org).

## How We Prayed - May 2021 – Human Trafficking

1. A survivor of human trafficking who is in an emergency shelter reported that she prayed for the people involved to do unto others as they would have done unto them.

2. A woman from Canada was led to pray for very young children who are trafficked. She met some of these in Cambodia during her YWAM Discipleship Training School outreach. She sensed God prompting her to pray daily for the children's freedom and she felt led to Luke 17:1-3.
3. Leaders from a new anti-trafficking organization called Recover Hope were encouraged to know that others were praying for this topic. They prayed for every single person to fulfill his or her role in God's kingdom, that no one would look away from another person's suffering.
4. Multiple people thanked us for inviting them to pray and committed to pray regularly during The Invitation.
